GK Club

Assalamu Alaikum. It's my pleasure to be the Moderator of SAGSC General Knowledge Club (BV). This is Shamim Ara Hafiz with my cordial greetings to everyone of this club. "Knowledge is power". General Knowledge contributes to personal enrichment and a better understanding of the world as a whole. The General Knowledge Club helps to develop a desire for knowledge and increase confidence among students which will enable them to be successful in future life. To make students interested in general knowledge, the club arranges practice session on the first Thursday of every month. The club plays the major role organizing and conducting inter class and inter section general knowledge competition. Besides, the club also performs on the occasion of Armed Forces Day, Independence Day, Victory Day etc. Students of General Knowledge Club also attend Inter Cantt. Public College General Knowledge Competition every year and perform appreciably. I wish all the success of this club.

History

The General Knowledge Club is a self-contained and active club today. But even a few days ago it was just a segment of the Science Club. But even then it has dominated various competitions as a unique subject and has achieved success and brought great rewards and fame to the organization. Seeing its success, everyone thinks of giving it the status of an independent and unique club. As a result, through the students of the 2019-20 batch and at the initiative of our esteemed Principal Sir and Ex Vice Principal Madam, on March 3, 2020, the "SAGSC General Knowledge CLUB“ (BV) emerged as a self-contained club, free from the scope of the Science Club and continues to play an active role.
