General Knowledge Club EV

# Our Moderator

I extend my warmest regards to all members of this vibrant club. It is often said that “learning lights the path to success.” General knowledge not only broadens our horizons but also nurtures curiosity, confidence, and a deeper appreciation of the world around us.

**Mohammad Iqbal Hossain**

Assistant Professor (Biology)

General Knowledge Club EV

# Club Instructors

**Zebunnesa**
Assistant Professor
(Chemistry)

- Thematic Presentations (e.g., Space, History, Inventions)
- News Analysis Sessions
- Brainstorming Challenges
- Documentary Screenings & Reviews
- Monthly GK Magazine
- Crossword & Puzzle Workshops
- General Knowledge Fest

# Our Mission

To cultivate a vibrant culture of curiosity and competitive excellence among students by popularizing quizzing and general knowledge activities. The club aims to:

- Empower students to excel in national and international competitive exams through regular practice and mentorship.
- Establish SAGSC as a top-performing institution in inter-cantonment general knowledge competitions through year-round strategic preparation.
- Select and nurture club members based on merit, enthusiasm, and leadership potential.
- Conduct monthly sessions guided by the Honorable Moderator and faculty to ensure consistent growth and engagement.

# Our Vision

To transform the SAGSC General Knowledge Club into a nationally recognized hub of intellectual development and teamwork. Our long-term aspirations include:

1. Hosting dynamic monthly activities that sharpen students' analytical and collaborative skills.
2. Fostering group discussions and team-based learning to keep students actively engaged with current affairs and GK trends.
3. Organizing monthly quiz tests to build confidence and readiness for external competitions.
4. Building a rich library of general knowledge resources to eliminate barriers to learning.
5. Preparing students to represent SAGSC with pride and excellence in all quiz competitions, especially at inter-cantonment and national levels.
